Don't you feel a change a-coming  
From another side of time  
Breaking down the walls of silence  
Lifting shadows from your mind

Placing back the missing mirrors  
That before you couldn't find  
Filling mysteries of emptiness  
That yesterday left behind

And we all know it's better  
Yesterday has passed  
Now let's all start the living  
For the one that's going to last

And we all know it's better  
Yesterday has passed  
Now let's all start the living  
For the one that's going to last

Don't you feel the day is coming  
That will stay and remain  
When your children see the answers  
That you saw the same

When the clouds have all gone  
There will be no more rain  
And all the beauty of all things  
Is uncovered again

And we all know it's better  
Yesterday has passed  
Now let's all start the living  
For the one that's going to last

And we all know it's better  
Yesterday has passed  
Now let's all start the living  
For the one that's going to last

Don't you feel the day is coming  
And it won't be too soon

When the people of the world  
Can all live in one room

When we shake off the ancient  
Chains of our tomb  
We will all be born again  
Of the eternal womb

And we all know it's better  
Yesterday has passed  
Now let's all start the living  
For the one that's going to last

And we all know it's better  
Yesterday has passed  
Now let's all start the living  
For the one that's going to last

And we all know it's better  
Yesterday has passed  
Now let's all start the living  
For the one that's going to last
