Lying on my bed alone  
Wishing you were here  
I stare at the mirror and the image isn't clear

Something in this picture  
Just seem so incomplete  
But in your eyes, I see the future and it's clear.

Es estar contigo... (It's to be with you)

Chorus:

Es estar contigo (It's to be with you)  
Is all I wanna be  
To spend every moment in your arms  
Y en tus ojos (and in your eyes)  
I wanna see the love  
I've been waiting for...  
All my life

And I can reach for my dreams  
Now that you are here  
'Cause you give the strength to see me as I am.  
And I'll never ever leave you girl  
'Cause this feeling in my heart  
Tells me that I need you in my life

Es estar contigo... (it's to be with you)

(Repeat Chorus)

And if you ever hold me  
And if your arms embrace me  
I'll swear to you  
That I will never leave.

Es estar contigo (It's to be with you)  
Is all I wanna be  
To spend every moment in your arms  
Y en tus ojos (and in your eyes)  
I wanna see the love

I've been waiting for...  
All my life

Repeat 2x
