Hey now, all you sinners  
Put your lights on, put your lights on  
Hey now, all you lovers  
Put your lights on, put your lights on

Hey now, all you killers  
Put your lights on, put your lights on  
Hey now, all you children  
Leave your lights on, better leave your lights on

'Cause there's a monster living under my bed  
Whispering in my ear  
There's an angel with a hand on my head  
She say I've got nothing to fear

There's a darkness livin' deep in my soul  
I still got a purpose to serve  
So let your light shine into my hole  
God, don't let me lose my nerve  
Don't let me lose my nerve

Hey now, hey now, hey now, hey now  
Oh, oh, hey now  
Hey now, hey now, hey now

Hey now, all you sinners  
Put your lights on, put your lights on  
Hey now, all you children  
Leave your lights on, better leave your lights on

'Cause there's a monster living under my bed  
Whispering in my ear  
There's an angel with a hand on my head  
She say I've got nothing to fear  
She say

La ill aha ill allah  
We all shine like stars  
La ill aha ill allah  
We all shine like stars  
Then we fade away
