You gotta free all the people in South Africa  
You gotta make life worth living in Soweto  
You gotta free all the people in South Africa  
You gotta make life worthwhile, give a reason to smile

Freedom is a birthright given by Jah to man  
You cannot claim it, this you must understand  
Who are you to decide who has to give it up  
Know it in your heart, that it's wrong  
They've had enough

You gotta free all the people in South Africa  
Make life worth living in Soweto  
You gotta free all the people in South Africa  
Make life worthwhile, give a reason to smile

Slavery is brutal, it steals your identity  
Wherever it's living, suffer humanity  
What leads you to believe you can treat people so?  
You know it isn't right, give up the fight, let them go

You gotta free all the people in South Africa  
Make life worth living in Soweto  
You gotta free all the people in South Africa  
Make life worthwhile, give a reason to smile

It's not right, this hate for life you're teaching  
No more fight, we're all in this together  
You've lost sight, you'll never find what your soul is  
seeking  
You, you abolish Apartheid

Can free, free, South Africa  
Make life worth living in Soweto  
You gotta free all the people in South Africa  
Make life worthwhile, give a reason to smile

Slavery is brutal, it steals your identity  
Wherever it's living, suffer humanity  
What led you to believe you can treat people so?  
You know it isn't right, give up the fight, let them go

You gotta free all the people in South Africa  
Make life worth living in Soweto  
Gotta free all the people in South Africa  
Make life worthwhile, give a reason to smile

It's not right, this hate for life you're teaching  
No more fight, we're all in this together  
You've lost sight, you'll never find what your soul is  
seeking  
Until you abolish Apartheid

Can free, free, South Africa  
Make life worth living, Soweto  
Gotta free all the people, South Africa  
Make life worthwhile, give a reason to smile
