Is that you Your eye's slowly fading? Is that you Your mind full of tears? Is that you Searching for a good time? Is that you Waitin' for all these years?

And I hope you're feelin' better Yes I hope you're feelin' good Yes I hope you're feelin' better

Is that you? Look across the ocean Is that you Thinkin' nothin's really there? Is that you Waiting for the sunshine? Is that you When all you see is glare?

And I hope you're feelin' better Yes I hope you're feelin' good Yes I hope you're feelin' better

Is that you Who never saw your baby? Is that you Who never had a friend? Is that you Movin' to a new town? Is that you Will diamonds replace your friends?

And I hope you're feelin' better Yes I hope you're feelin' good And I hope you're feelin' better
