Sometimes I imagine the world without you  
But most times I'm just so happy that I ever found you

It's a complicated web  
That you weave inside my head  
So much pleasure with such pain  
How we always, always stay the same

I'm feeling the way you cross my mind  
And you save me in the nick of time  
I'm riding the highs, I'm digging the lows  
'Cause atleast I feel alive

I've never faced so many emotional days  
But my life is good I'm feeling you  
I'm feeling you

You go and then I can finally breathe in  
'Cause baby I know in the end you're never leaving

Well, we rarely ever sane  
I drive you crazy and you do the same  
But your fire fills my soul  
And it warms me up like no one knows

I'm feeling the way you cross my mind  
And you save me in the nick of time  
I'm riding the highs I'm digging the lows  
'Cause at least I feel alive

I never faced so many emotional days  
But my life is good I'm feeling you  
I'm feeling you

I'm feeling the way you cross my mind  
And you save me in the nick of time  
I'm riding the highs I'm digging the lows  
'Cause at least I feel alive

I've never faced so many emotional days

Oh, I'm feeling the way you cross my mind

And you save me in the nick of time  
I'm riding the highs I'm digging the lows  
'Cause at least I feel alive

I've never faced so many emotional days  
But my life is good I'm feeling you  
I'm feeling you, I'm feeling you  
Oh, I'm feeling you

Oh, I'm feeling the way you cross my mind  
And you save me in the nick of time  
Oh, I'm feeling the way when you walk on by  
I feel light, I feel love, I feel butterflies  
I feel butterflies
