I'm the one who loves you
I'm the one who loves you
I'm the one who loves you
I'm the one who loves you

Little girl again you are blue
Another fellow has gone and left you
I see you've come back to me, you're best friend
To tell another tragic story again
And once more you look in my eyes
And one more time you ought to realize

That, I'm the one who loves you
I'm the one who loves you
I'm the one who loves you
I'm the one who loves you

I must confess you're not to be blamed
For being caught in those boys vicious games
This time I won't let you go back
Never again, my dear, in fact
I'm gonna stop the blueness in you
Also confess what my heart wants me to

I'm the one who loves you
I'm the one who loves you
I'm the one who loves you
I'm the one who loves you

Just once more you look in my eyes
And one more time you ought to realize

That, I'm the one who loves you
I'm the one who loves you
I'm the one who loves you
I'm the one who loves you

Baby, I'm the one who loves you
I'm the one who loves you
I'm the one who loves you
I'm the one who loves you
