Are you people got around?

Listen,
Listen to the summer sound:
You're fine.

What you need is what you want,
What you need is what you want,
What you need is what you want.

Let me,
Let me take you by your hand
To the,
To the partner wonder dance.

What you need is what you want,
What you need is what you want,
What you need is what you want.

Dance Sister Dance

Dance sister dance
I love the way you move
I love to watch you
Dance sister dance
Feel the rhythm flow into your soul
Dance sister dance
Feel the rhythm flow
Feel the rhythm flow through you
Dance sister dance
I love to watch you move
I love the way you dance

Baila mi hermana
Baila para mi
Baila mi hermana
Baila para mi

I love to watch you move
I love the way you dance with me
Dance sister dance

I love the way you move
I love to watch you
Dance sister dance
Feel the rhythm flow into your soul
Dance sister dance

Mi hermana
Baila para mi
Baila mi hermana
Baila para mi
I love the way you move
I love the way you baila
Baila para mi

Baila para mi
Baila para mi hermana

Baila mi hermana
Baila para mi
Baila mi hermana
I love to watch you move
I love the way you dance with me

Dance with me (5x)
