I'm just a bachelor
Lookin' for a partner
Someone who knows how to ride
Without even fallin' off
Gotta' be compatable
Takes me to my limits
Girl when I break you off
I promise that you won't wanna' get off
If you're horny
Let's do it
Ride it --My pony
My saddle's waiting
Come and jump on it!!!
(repeat)
Sittin' here flossin'
Peepin' yo steelo
Just once if I had the chance
The things I would do to you
You and yo body
Every single portion
Send chills up and down yo spine
Juices flowin down your thigh
(Repeat the hook)
If we gonna' get nasty baby
First we'll show and tell
'til I reach yo ponytail
Lurk all over and through you baby
Until we reach the stream
You'd be on my jockey team
(repeat the hook)
