Hey now, all you sinners  
Put your lights on, put your lights on  
Hey now, all you lovers  
Put your lights on, put your lights on

Hey now, all you killers  
Put your lights on, put your lights on  
Hey now, all you children  
Leave your lights on, you better leave your lights on

'Cause there's a monster livin' under my bed  
Whisperin' in my ear  
There's an angel with a hand on my head  
She say I got nothin' to fear

There's a darkness livin' deep in my soul  
I still got a purpose to serve  
So let your light shine deep into my hole

God, don't let me lose my nerve  
Don't let me lose my nerve

Hey now, hey now, hey now, hey now, hey now  
Hey now, hey now, hey now, hey now, hey now

Hey now, all you sinners  
Put your lights on, put your lights on  
Hey now, all you children  
Leave your lights on, you better leave your lights on

'Cause there's a monster livin' under my bed  
Whisperin' in my ear  
And there's an angel with a hand on my head  
She say I got nothin' to fear, she say

La ill aha ill allah, we all shine like stars  
La ill aha ill allah, we all shine like stars  
Then we fade away
