She has the innocence and vision of a child  
How can I ever really know her?  
We're riding on a carousel that's running wild  
Around in circles til' it's over

Every time we reach the end  
We go around and 'round again

She can't let go  
(And I don't wanna tell her no)  
She can't let go  
(And I don't wanna tell her no)

I see her starin' out the window at the rain  
But she will never leave the fire  
Sometimes it burns all night and covers up the pain  
Sometimes it only leaves us tired

Every time we reach the end  
We go around and 'round again, yeah

She can't let go  
(I don't wanna tell her no)  
She can't let go  
(And I don't wanna tell her no)

She can't let go  
(I don't wanna tell her no, yeah)  
She can't let go  
(I just don't wanna tell her no)

She can't let go  
(I just don't wanna tell her no)  
She can't let go

She can't let go  
She can't let go  
She can't let go  
She can't let go  
(I just don't wanna tell her no)

Yeah, yeah, yeah, yeah

[Incomprehensible]  
[Incomprehensible]  
[Incomprehensible]  
And I don't wanna tell her no
