Somewhere . . .
In heaven
There is a place . . .
Waiting for you and me

He made a promise
Gave every drop of blood
Died on the cross
So wed be free.

Oh oh oh oh

Somewhere, somewhere . . .
In heaven
There's a place . . .
Waiting, waiting for you and me

He made a promise
Gave every drop of blood
And died on the cross
So wed be free.

Somewhere, somewhere . . .
In heaven
There is a place . . .
Waiting, waiting for you and me

He made a promise
When he gave every drop of his blood
Died on the cross
So wed be free.
