You are the sunshine, baby, whenever you smile  
But I call you stormy today  
All of a sudden that ol' rain is fallin' down  
And my world is cloudy and gray  
You've gone away

Old stormy  
(Stormy)  
Old stormy  
(Stormy)  
Old stormy  
(Stormy)  
Old stormy  
(Stormy)

Yesterday's love was alive, the warm summer breeze  
But like the weather you changed  
Now things are dreary, baby, windy and cold  
And I stand alone in the rain  
Callin' out your name

Stormy  
(Stormy)  
Stormy  
(Stormy)  
Come back to me  
(Stormy)  
Stormy  
(Stormy)  
Bring back that sunny day  
Baby baby baby

Yesterday's love was alive, the warm summer breeze  
But like the weather you changed  
Everything around you is dreary, baby, windy and cold  
And I stand alone in the rain  
Callin' out your name

Whoa  
(Stormy)  
Stormy, come back to me  
(Stormy)

Stormy, come back to me  
(Stormy)  
Come on home  
(Stormy)  
Bring back that sunny day
