You are the sunshine, baby, whenever you smile
But I call you stormy today
All of a sudden that ol' rain is fallin' down
And my world is cloudy and gray
You've gone away

Old stormy
(Stormy)
Old stormy
(Stormy)
Old stormy
(Stormy)
Old stormy
(Stormy)

Yesterday's love was alive, the warm summer breeze
But like the weather you changed
Now things are dreary, baby, windy and cold
And I stand alone in the rain
Callin' out your name

Stormy
(Stormy)
Stormy
(Stormy)
Come back to me
(Stormy)
Stormy
(Stormy)
Bring back that sunny day
Baby baby baby

Yesterday's love was alive, the warm summer breeze
But like the weather you changed
Everything around you is dreary, baby, windy and cold
And I stand alone in the rain
Callin' out your name

Whoa
(Stormy)
Stormy, come back to me
(Stormy)

Stormy, come back to me
(Stormy)
Come on home
(Stormy)
Bring back that sunny day
