Loving you this way
Has made my tired heart sing
Lady, you touch my soul
With all the love you bring

Being so close to you
Is where I wanna be
Don't turn your smile away
Don't break my fantasy

Summer lady
You look good to me
Summer lady
You're my fantasy

Seeking your presence near
Every time I wake
My life would be incomplete
If I didn't have you there

Summer lady
You look good to me
Summer lady
You're my fantasy, hey

Summer lady, hey

Laying here in my room
With all my worldly things
Don't make up for all my dreams
Of you in my fantasy

Summer lady
You look good to me
Summer lady
You're my fantasy

Summer lady
You look good to me
Summer lady
You're my fantasy

Please don't take my dreams away
Oh, oh summer lady

See you in my my dreams
Summer lady
You know I'll love you, ooh
You know, you know I'll love you
