"Sunshine Of Your Love"

(originally by Cream
feat. Rob Thomas)

It's getting near dawn
When the lights close their tired eyes
I'll soon be with you, my love
To give you my dawn surprise

I'll be with you, darling, soon
I'll be with you when the stars start falling down
When they're falling down

I've been waiting so long
To be where I'm going
In the sunshine of your love

I'll be with you, my love
The light's shining through on you
Yes, I'm with you, my love
Yes, it's the morning and just we two

I'll stay with you, darling, now
I'll stay with you till my seeds are all dried up
When they're all dried up

I've been waiting so long
To be where I'm going
In the sunshine of your love

I'm with you my love
The light's shining through on you
Yes, I'm with you, my love
Yes, the morning and just we two

I'll stay with you darling now
I'll stay with you till my seeds are all dried up
When they're all dried up

I've been waiting so long
I've been waiting so long
I've been waiting so long

To be where I'm going
In the sunshine of your love

Your love
Your love
