Tell me  
Just what you want me to be  
One kiss  
And boom youre the only one for me  
So please tell me  
Why dont you come around no more?  
Cause right now  
Im crying outside the door of your candy store

Chorus:  
It just takes a little bit of this, a little bit of that  
It started with a kiss  
Now were up to bat  
A little bit of laughs, a little bit of pain  
Im telling you my babe  
Its all in the game of ...

Love is  
Whatever you make it to be  
Sunshine  
Instead of this cold lonely sea  
So pleased baby  
Try and use me for what Im good for  
It aint saying goodbye  
Its knocking down the door of your candy store

Chorus:  
It just takes a little bit of this, a little bit of that  
It started with a kiss  
Now were up to bat  
A little bit of laughs, a little bit of pain  
Im telling you my babe  
Its all in the game of love  
Its all in the game of love

You roll me  
Control me  
Console me  
Please hold me  
You guide me  
Divide me  
Into me

So please tell me  
Why dont you come around no more?  
Cause right now  
Im dying outside the door of your loving store

Chorus:

It just takes a little bit of this, a little bit of that  
It started with a kiss  
Now were up to bat  
A little bit of laughs, a little bit of pain  
Im telling you my babe  
Its all in the game of love  
Its all in the game of love  
Its all in the game of love  
Lets play the game of love

Roll me  
Control me  
Console me  
Please hold me  
In this game of love  
Im out here on my own
