Where's my pal, where's my friend  
All good things must have an end  
Sad things and nothings, on and on they go  
I guess he went to Mexico

They all went to Mexico  
Buenas Dias, got to go  
Tengo que obedecer mi corazon  
They all went to Mexico

Where's my mule and where's my dray  
Straw hat's packed up and gone away  
Mule don't go north and dray go slow  
They both went to Mexico

Where's my sweetie, where's the face  
That lit dark corners every place  
She put up with me long time you know  
And then she had to go to Mexico

They all went to Mexico  
Buenas Dias, got to go  
Tengo que obedecer mi corazon  
They all went to Mexico

Where's my brown dog and where's my hound  
He liked my truck he hung around  
But he's a canine romeo  
And I guess he went to Mexico

Where's that woman so sweet, so mean  
Her heart was cautious, her mind was keen  
She was always looking for the peccadillo  
I hope she went to Mexico

They all went to Mexico  
Buenas Dias, got to go  
Tengo que obedecer mi corazon  
They all went to Mexico

Where's December's happy crew  
With German bikes and sidecars too

They take the truck south to St. Louis  
Motorcycle all the way to Mexico

Where's my luck and where's my grace  
And has it all been just a foolish chase  
Every time I hear that rainy chill wind blow  
I think it might be time to head to Mexico

They all went to Mexico  
Buenas Dias, got to go  
Tengo que obedecer mi corazon  
They all went to Mexico

And they all went to Mexico  
Buenas Dias, got to go  
Tengo que obedecer mi corazon  
They all went to Mexico
