You better take it easy baby
Before you go away
You did me dirty
Youll get yours one day

Chorus:
You better
Watch your step...
Talkin about you
Watch your step...
You better
Watch your step...

Keep your eyes open wide
cause youll be hurtin down inside

You better leave me all your money
Before you go away
Dont think Im funny honey
All Ive got to say

Chorus

cause when you took your love
From me
You left me full of misery
Im gonna be all right

Chorus

When you need me by your side
Im gonna say go somewhere and hide
Watch your step...
You better watch out baby
Everything you do
Im gonna keep my eyes focused,
Right on you
You better walk right baby
Theres just one thing I know
You better watch your step...
When you need me by your side
Im gonna say go somewhere and hide
