Who's that

Who's that lady?  
(Who's that lady?)  
Who's that lady?  
Beautiful lady  
(Who's that lady?)  
Lovely lady  
(Who's that lady?)  
Real fine lady  
Who's that?

Hear me callin' out to you  
'Cause that's all that I can do  
Your eyes tell me to pursue  
But you say look, yeah  
But don't touch  
No, no

Who's that lady?  
(Who's that lady?)  
Sexy lady  
(Who's that lady?)  
Beautiful lady  
(Who's that lady?)  
Real fine lady  
(Who's that lady?)

I would dance upon a string  
Any gifts you wanna bring  
I would give her everything  
If she would just do what I say  
Shine my way

Who's that lady?  
That beautiful lady  
(Who's that lady?)  
That lovely lady  
(Who's that lady?)  
Real, real fine lady  
(Who's that lady?)

I would love to take her home  
But her heart is made of stone  
But I'll keep on keepin' on  
'Cause If I dont, she'll do me wrong  
Do me wrong

Hear me callin' an' out to you  
All that I can do  
Your eyes tell me to pursue  
But you look, don't tell her  
But dont touch

I would dance upon a string  
And give you anything  
Can you guess that what I'll bring?  
Just do what I say  
Need you baby

Who's that lady?  
(Who's that lady?)  
Who's that lady?  
(Who's that lady?)  
Who's that lady  
(Who's that lady)
