Since the moment I spotted you  
Like walking around with little wings on my shoes  
My stomach's filled with the butterflies...and it's alright  
Bouncing round from cloud to cloud  
I got the feeling like I'm never going to come down  
If I said I didn't like it then you know I'd lied

### Pre-Chorus

Everytime I try to talk to you  
I get tongue-tied  
Turns out everything I say to you  
Comes out wrong and never comes out right

### Chorus

So I'll say 'why don't you and I get together  
and take on the world and be together forever  
Heads we will and tails we'll try again  
So I say why don't you and I hold each other and  
fly to the moon and straight on to heaven  
Cause without you they're never going to let me in

When's this fever going to break?  
I think I've handled more than any man can take  
I'm like a love-sick puppy chasing you around  
And it's alright  
Bouncing round from cloud to cloud  
I got the feeling like I'm never going to come down  
If I said I didn't like it then you know I'd lied

Pre Chorus - repeat

Chorus - repeat

### Bridge

Slowly I begin to realize this is never going to end  
Right about the same time you walk by  
And I say 'Oh here we go again'

Pre-Chorus - repeat

Chorus - Repeat
