Since the moment I spotted you  
Walkin' round with little wings on my shoes  
My stomach's filled with the butterflies oh and it's  
alright

Bouncin' 'round from cloud to cloud  
I got the feelin' like I'm never gonna come down  
If I said, I didn't like it then you know I'd lied, ooh

But every time I try to talk to you  
I get tongue-tied  
(Tongue-tied)  
Everything I say to you  
Comes out wrong and never comes out right

So I'll say why don't you and I get together?  
And take on the world and be together forever  
Heads we will and tails we'll try again

So I say, why don't you and I hold each other?  
Fly to the moon and straight on to Heaven  
'Cause without you, they're never gonna let me in

When's this fever gonna break?  
I think, I've handled more than any man can take  
I'm like a love-sick puppy chasin' you around, oh and  
it's alright

Bouncin' 'round from cloud to cloud  
I got the feelin' like I'm never gonna come down  
If said, I didn't like it then you know I'd lied

Every time I try to talk to you  
I get tongue-tied  
(Tongue-tied)  
Everything I say to you  
Comes out wrong and never comes out right

So I'll say why don't you and I get together?  
And take on the world and be together forever  
Heads we will and tails we'll try again

So I say, why don't you and I hold each other?  
Fly to the moon and straight on to Heaven  
'Cause without you, they're never gonna let me in

Slowly I begin to realize this is never gonna end  
Right about the same time you walk by  
And I say, "Oh here we go again, oh"

Every time I try to talk to you  
I get tongue-tied  
(Tongue-tied)  
Everything I say to you  
Comes out wrong and never comes out right

So I'll say why don't you and I get together?  
And take on the world and be together forever  
Heads we will and tails we'll try again

So I say, why don't you and I hold each other?  
Fly to the moon and straight on to Heaven  
'Cause without you, they're never gonna let me in

So I'll say why don't you and I get together?  
Take on the world and be together forever  
Heads we will and tails we'll try again

So I say, why don't you and I hold each other?  
Fly to the moon and straight on to Heaven  
'Cause without you, they're never gonna let me in
