(Blue Horn Toad Music, BMI)

Well when I was a young boy
I used to slip away
Down to the ashgrove
To hear the old blues men play
There was Big Joe and Lightnin' [™]
And Reverend Gary too
Well I [™] d sit and stare and dream
Of doin' [™] what they could do.

Well it [™] s been thirty years since the ashgrove
burned down
And I [™] m out on this highway travelin' [™]
town to town
Tryin' [™] to make a livin' [™]
Tryin' [™] to pay the rent
Tryin' [™] to figure out where my life went.

I wanna go back to the ashgrove
That [™] s where I come from
I wanna go back to the ashgrove
That [™] s where I belong.

Well you don' [™] t have to go searchin' [™]
Pretend to put on airs
'Cause the blues are gonna find you someday,
somewhere
Now my mother [™] s gone
Now my father [™] s gone
And all the old blues men have all passed on
And I [™] m out on this highway travelin' [™]
town to town
Settin' [™] up my gear and then I [™] m
tearin' [™] it down
Turnin' [™] up my guitar
Standin' [™] on the stage
I [™] m just tryin' [™] to raise the ghosts up out
of their graves.

I wanna go back to the ashgrove

That's where I come from
Yeah I wanna go back to the ashgrove
That's where I belong.

Well I can't say I been all sinner
Can't say I been all saint
I've done some good deeds and I've made big mistakes
I been in and out of love
Said words I regret
I been drunk, been sober
Smoked too many cigarettes
And I'm out on this highway travelin' town to town
And the news on the radio just brings me down
Intolerance and fear
Ignorance and lies
It's the same old same old I heard a million times
And I'm thinkin' of friends and lovers
And how they come and go
Like look-alike houses on the side of the road
Full of everyday people tryin' to get ahead
Tryin' to find a reason just to get out of bed
Cause we all need somethin' just to get us through
Well I'm gonna play the blues tonight man
Cause that's what I do.

I'm goin' back to the Ashgrove
That's where I come from
I'm goin' back to the Ashgrove
That's where I belong.
