"So Empty"

Visit "[So Empty](#)" on MotoLyrics.com

i know that you're far away
i know you can't come back home
i know you ain't gone to stay
but still i feel alone
it's hard for me to breathe
it's hard for me to sleep
i'm tryna relax myself
but a fear is taking me
baby if you said that you
you won't leave my side
i wouldn't feel this way
so empty tonight

left without a trace
suddenly you come back home
and now i don't love you,
don't love you no more
said you got my heart
you broke it into two
and now i don't love you,
don't love you
so empty, so empty
so empty inside
so empty, i'm so empty
so empty inside
so empty, so empty
so empty inside
so empty, i'm so empty
ohhh..

i know those guys aren't for me
i bet they told you lies
but i'ma be a man about it
i'll show you i can cry
i would've held your hand
would've held your grievance
i gave you everything
even part of me
baby if you said that you
wouldn't leave my side
i wouldn't feel this way
so empty tonight

baby if you said that you
you wouldn't leave my side
i wouldn't feel this way
so empty tonight

left without a trace
suddenly you come back home
and now i don't love you,
don't love you no more
said you got my heart
you broke it into two
and now i don't love you,
don't love you
so empty, so empty
so empty inside
so empty, i'm so empty
so empty inside
so empty, so empty
so empty inside
so empty, i'm so empty
ohhh..
