It's like the ocean baby
You make me feel so sexy
Love so understating
For only you I'm waiting
You turn me on, my love is on and on and

You touch me makes me crazy
I feel your body and me
It's like the ocean at sea
My love is never ending
You and me it's like a dream my baby

Amore, sexo
Amore, my love is on and on
Amore, sexo
Amore, my love is on and on

It's like the wind beneath me
The passion flows so freely
Close to you I get free
You're everything that I needs
I turn you on, my love is on and on and

I feel it all in my knees
And I know how good it will be
It's like the wind beneath me
My love is never ending
You and me, it's like a dream my baby

Amore, sexo
Amore, my love is on and on
Amore, sexo
Amore, my love is on and on

[Incomprehensible]

Amore, amore, sexo
Amore, my love is on and on
Amore, sexo
Amore, my love is on and on

Amore, sexo
Amore, my love is on and on
Amore, sexo
Amore, my love is on and on
