Sometimes I imagine the world without you
But most time I'm just so happy that I ever found you
It's a complicated web that you weave inside my head
So much pleasure with such pain, we always, always
stay the same

I'm feeling the way you cross my mind
And you save me in the knick of time
I'm riding the highs I'm digging the lows
'Cuz at least I feel alive

I never faced so many emotional days
But my life is good I'm feeling you, I'm feeling you

You go and then I can finally breath in
'Cuz baby I know, in the end you're never leaving
Well, we rarely ever sane, I drive you crazy and you do
the same
But your fire fills my soul and it warms me up like no
one knows

I'm feeling the way you cross my mind
And you save me in the knick of time
I'm riding the highs I'm digging the lows
'Cuz at least I feel alive

I never faced so many emotional days
But my life is good, I'm feeling you, I'm feeling you

I'm feeling the way you cross my mind
And you save me in the knick of time
I'm riding the highs I'm digging the lows
'Cuz at least I feel alive
I never faced so many emotional days

Oh, I'm feeling the way you cross my mind
And you save me in the knick of time
I'm riding the highs I'm digging the lows
'Cuz at least I feel alive

I never faced so many emotional days
But my life is good, I'm feeling you

I'm feeling you, I'm feeling you, I'm feeling you

Oh, I'm feelin' the way that you cross
my mind

And the way that you save me in the nick of time

Oh, I'm feelin' the way when you walk
on by

I feel light, I feel love, I feel butterflies, I feel butterflies
