You've been buying time with your cheap dates
Make no mistakes Im on to you
You been out of line in more than one case
I need a clean slate Your time is thru

(shoulda held it, you had it)
Now your time is done
(I know you want what I got)
but your not the only one
(shoulda held it, you had it)
Now your time is done

You don't know what your missing till its too late,
If your ready for the chase go head and hunt me down
You don't know what your missing till its too late,
I cant sit around and wait for you to figure it out
Figure it out, figure it out, figure it out
(cant wait for you to figure it out x 4)

Now your almost blind, you cant see straight, too little
too late
That aint no excuse
Love has made you blind, what a damn shame
I wont play again, its sad but true

(shoulda held it, you had it)
Now your time is done
(I know you want what I got)
but your not the only one,

(shoulda held it, you had it)
Now your time is done

You don't know what your missing till its too late,
If your ready for the chase go head and hunt me down
You don't know what your missing till its too late,
I cant sit around and wait for you to figure it out
Figure it out, figure it out
(cant wait for you to figure it out x 4)

Now your time is done but your not the only one, Now
your time is done

You don't know what your missing till its too late,
If your ready for the chase go head and hunt me down
You don't know what your missing till its too late,
I cant sit around and wait for you to figure it out
Figure it out, figure it out, figure it out
(cant wait for you to figure it out x 4)

You don't know what your missing till its too late,
If your ready for the chase go head and hunt me down
You don't know what your missing till its too late,
I cant sit around and wait for you to figure it out
Figure it out, figure it out, figure it out
(cant wait for you to figure it out x 4)
