Cool vodka eye  
shake me up where my appetite,  
you're right on my cage,  
feel so high I'ma let you fight.  
On a night like this oh I can't resist  
you're the spot that lights my flame  
your tempted touch is dangerous  
I'm yours don't make me wait

Chorus:

Something for the weekend  
I shout for you, I'm brighter than the sun  
Something for the weekend  
let's dance until our bodies become one  
if you need it come and get it  
what I got you won't forget it  
bang bang I'll be your love on the drum  
Something for the weekend, weekend, weekend.

Something for the weekend  
you're here on the spot,  
moving for the kill don't apologize,  
you took a shot,  
you catch of me now I'm hypnotized

On a night like this I can't resist,  
you're the spot that lights my flame  
your tempted touch is dangerous  
I'm yours don't make me wait

Chorus:

Something for the weekend  
I shout for you, I'm brighter than the sun  
Something for the weekend  
let's dance until our bodies become one  
if you need it come and get it  
what I got you won't forget it  
bang bang I'll be your love on the drum  
Something for the weekend, weekend, weekend.

Something for the weekend.
