(Spoken)

Let the show begin

Begins in

Five, four, three, two, one...

I'm your only man

You're my biggest fan

(By santiago monjaraz)

I'm your only man

You're my biggest fan

(By santiago monjaraz)

I'm your only man

You're my biggest fan

I'm your only man

You're my biggest fan

I'm here

My dear

A dream

Is perfectly

What you think, surprise?

But Russian roulette throw their dice.

(Chorus)

Ask them to my girls who is the best

For you there is only one

Separate them all the rest

Now say it out the wind.

I'm your only man

Me-me-me-men

You're my biggest fan

Fa-fa-fa-fan

I'm your only man

Me-me-me-men

You're my biggest fan

Fan-Fan-Fan

I'm your only man

(This is not the same)

You're my biggest fan

(More than just a game)

I'm your only man
(This is not the same)
You're my biggest fan

(More than just a game)

I want your lips
With mine
Look at those paparazzi.
Listen to this sound
In fact I've already found.

(Chorus)

Ask them to my girls who is the best
For you there is only one
Separate them all the rest
Now say it out the wind.

I'm your only man
Me-me-me-men
You're my biggest fan
Fa-fa-fa-fan
I'm your only man
Me-me-men
You're my biggest fan
Fan-Fan-Fan

I'm your only man
(This is not the same)
You're my biggest fan
(More than just a game)

I'm your only man
(This is not the same)
You're my biggest fan
(More than just a game)

You're my biggest fan
You're my biggest fan
I'm your only man

You're my biggest fan
You're my biggest fan
I'm your only man

We make the sun shine

In the moon light
No no! See how it reflects on the line.
Just try to be somewhat discreet
Want this to be a secret
Please do not shout in the street

Yeah Yeah Yeah!
(This is not the same)
Yeah Yeah Yeah!
(More than just a game)

I'm your only man
You're my biggest fan
(This is not the same)
You're my biggest fan
(More than just a game)

(My fa, my fa, my fa, my fa, my fa, my fa)
My fan is you
Fa-fa-fa-fan
I'm your only man
Me-me-me-men
You're my biggest fan
Fa-fa-fa-fan
I'm your only man
Men-Men-Men

I'm your only man
Me-me-me-men
You're my biggest fan
Fa-fa-fa-fan
I'm your only man
Me-me-m-men
You're my biggest fan
Fan-Fan-Fan.
