Es como un sueÃ±o hecho real
desde que te vi aprendÃ a amar
realize the wonderful scene
Es como tratar de despertar.
Solo me conformo con soÃ±ar
Queriendo ser the perfect team
day to day my mind fly
volver a intentar.

Like Romeo and Juliet
(Romeo and Juliet)
Come back to our first date
(our first date)
Esperando ese momento perfecto
I have only to wait
(only to wait)
In the our first date
(first date)
Mi CorazÃ³n esta muy inquieto (for love)
Back to our first date, I ask nothing more.

Mirando el reloj, veo pasar el tiempo
and now I know that the past quiero revivir
TÃ³ solo mÃrame un poco mÃis
Dime que me extraÃ±as (I miss)
just remember the first kiss.
Queriendo ser the perfect team
day to day my mind fly
volver a intentar.

Back to our first date, I ask nothing more.

Don't forget what happened
Tan solo vuÃ©lveme a besar
Now I can understand
No olvidarla jamÃ©is!

(Never forget)
(our first date)
Ohhhhh!!!
