Ohhhh
ssss- sm ohhh!!
Yeah!!
Noooo.

always in the morning
he could make known something
why wait so one thing

was the only way
of being left away.
to hide what we have and
to show what we make

I only say "I love you"
with contemplations.
I can now understand
and have conversations.

You're beautiful
You are wonderful
and you're perfect
every sense ...

you do that are quiet
the beating of my heart
is as strong as the reason of the earth
Ohhhh

I adore that is well
my love for you, and somewhat difficult.

Hey girl, come and tell me
what this is all a dream.
to form a perfect team
be somewhat extreme.

So tell me, tell me it is
with great, great detail
We are in great, great detail
tell me you want something big
something in great detail

Just tell me as you are
with great, great detail.

you're the most special girl
I have known.
I need to say it's the only thing I know.

I can say now
I can feel an bow
and also as I live tow.

now you admit that you are the one for me
although everyone believes that this is corny.

you're one in a million
a million in a trillion, you're it (yeah)

you do that are quiet
the beating of my heart
is as strong as the reason of the earth

Ohhhh

I adore that is well
my love for you, and somewhat difficult.

Hey girl, come and tell me
what this is all a dream.
to form a perfect team
be somewhat extreme.

So tell me, tell me it is
with great, great detail
We are in great, great detail
tell me you want something big
something in great detail
Just tell me as you are
with great, great detail.

tell me now you want all to
great detail and i said
that will be with great detail.
I mean that is with
great detail (yeah)

great detail (ohh)
you're that person who no likes to dress
to presume that's OK
I adore it and impress.
exepcional you there's no way.

I always think of my girl ideal
although this is a bit unreal.
but I'm still waiting
someone who can start by saying (i love you)

Hey girl, come and tell me
what this is all a dream.
to form a perfect team
be somewhat extreme.

So tell me, tell me it is
with great, great detail
We are in great, great detail
tell me you want something big
something in great detail
Just tell me as you are
with great detail.

woah (great detail)
woah yeahh!!

Everything will be fine forever
since you are all and in great detail
Ohh yeah!!
