Wooah!! Ohhh!!
kiss and tell

I will wait forever
although you say never
'll be back in any way
is clear ok
you say in the subway.

you're my only possession
wants it to perfection
this is a surprise
inside your eyes
is like paradise.

Now you tell me
what you need
from me
(from me)
(from me)
(from me)

(chorus)

I want you on my mind
without losing track of time
and know what you want, kiss and tell.
know that you are only mine
the only light that makes me shine
and know what you want, kiss and tell.
yeah yeah Ohhh!!
kiss and tell...

I want to hear on a Sunday
listen to just one day
in this town
not back down
and turn around

you have to take precaution
and obtain clarification
and try everything

start something extreme

even if you think it's a dream

Now you tell me
what you need
from me
(from me)
(from me)
(from me)

(chorus)

I want you on my mind
without losing track of time
and know what you want, kiss and tell.
know that you are only mine
the only light that makes me shine
and know what you want, kiss and tell.
yeah yeah Ohhh!!
kiss and tell...

Yeah yeah
kiss and tell
c'mon
Now you tell me
what you need, from me
Yeah yeah
kiss and tell

(chorus)

I want you on my mind
without losing track of time
and know what you want, kiss and tell.
know that you are only mine
the only light that makes me shine
and know what you want, kiss and tell.
yeah yeah Ohhh!!
kiss and tell...

Wooah!! Ohhh!!
(kiss and tell)
c'mon
kiss and tell
