LOL - Laughing Out Loud

Yeah, Yeah, Yeah, Yeah, Yeah, Yeah  
Laughing Out Loud  
Laughing Out Loud  
Yeah, Yeah, Yeah, Yeah, Yeah, Yeah  
Laughing Out Loud  
I hear...

[Chorus]

You can hear a ring, ring  
This Telephone (Phone)  
Now I hear the Tik Tok  
Inside the Clock (Clock)  
Feeling that to be low  
Give me one LOL  
LOL LOL LOL.  
But yet to wait the opportunity  
Of what to expect at our destiny.  
Need more immunity.  
Tin ton, knock on the door  
New steps on the dance floor  
Give me one LOL  
LOL LOL LOL.

Dancing in the center of the dance floor  
Listen to the rhythm only follow  
Pre-feel you lose control  
Do under the disco ball  
Do you sensual,  
Without seeming sexual  
Do you professional  
Is not conditional  
Very imprecional  
And emotional.

Know they belong  
A class of people strong  
People say here we go  
Who do not repent even snow  
But rain and wet clothes

Follow me Everywhere I Go!  
That was the title of my new song  
Available in music stores known.

[Chorus]

You can hear a ring, ring  
This Telephone (Phone)  
Now I hear the Tik Tok  
Inside the Clock (Clock)  
Feeling that to be low  
Give me one LOL  
LOL LOL LOL.  
But yet to wait the opportunity  
Of what to expect at our destiny.  
Need more immunity.  
Tin ton, knock on the door  
New steps on the dance floor  
Give me one LOL  
LOL LOL LOL.

If you watch this dance has grown  
Just take a look and see around  
The party is not falling down  
Just listen to all this sound  
1Â° are a junk, 2Â° have shrunk, 3Â° by a drunk  
Getting more of three crunk  
Now you want to drink, something extreme, like a  
dream?  
And I'll give you everything.

Maybe you want to be found  
A place in Disneyland  
To see Alice in Wonderland  
Want to see a rabbit run?  
You just have to look the ground  
Move and be stand  
It, let down  
Takes the mound  
Dance with sound

[Chorus]

You can hear a ring, ring  
This Telephone (Phone)  
Now I hear the Tik Tok  
Inside the Clock (Clock)  
Feeling that to be low  
Give me one LOL  
LOL LOL LOL.  
But yet to wait the opportunity

Of what to expect at our destiny.  
Need more immunity.  
Tin ton, knock on the door  
New steps on the dance floor  
Give me one LOL  
LOL LOL LOL.

[Chorus]

You can hear a ring, ring  
This Telephone (Phone)  
Now I hear the Tik Tok  
Inside the Clock (Clock)  
Feeling that to be low  
Give me one LOL  
LOL LOL LOL.  
But yet to wait the opportunity  
Of what to expect at our destiny.  
Need more immunity.  
Tin ton, knock on the door  
New steps on the dance floor  
Give me one LOL  
LOL LOL LOL.
