Welcome to the grand premiere
function will begin
open the door Now!
that the public expects,
I hear a thousand cheers,
I do not think even be here now
But look at the mirror
and look that this is not a reality.

(chorus)

nose that is what happened
I wanted my life like this? so now
Why?
I dream to achieve a great goal
I need not call attention ..
Every day, every night I dream all Timp.

In the limo, red carpet
rolls to my feet and the lights illuminate
I can not focus my eyes on them.
Rising to the big stage,
cheers and applause
fill the whole place
I even believe that it remains a dream
to be up here.

(chorus)

nose that is what happened
I wanted my life like this? so now

Why?
I love you and wish you a great dream
reach a wide release ..
Every day, every night I dream all Timp.

so what is ...

But I want to live as before
and I
which is what I chose and so is my dream

Do not lose control
my life plan and ..
and I love, I love being me
Here in the grand premiere, premiere, premiere,
premiere!

if

nose that is what happened
I wanted my life like this? so now
Why?

ohhh!

I do not want to change what I have
all my happiness ..
with my family with my friends and my great car.

in the grand premiere so is my big debut ...

to no one more than mine!
what is
