I remember the time
in which you mentioned
I remember the wind
where you illusionist
I remember the time
in which I fell in love with you
I remember it was slow
steps involving

now I'll give you a reason

(chorus)

I love you, miss you, I love you
you know it
sorry, sorry, but forgive me
for being one
and do it again

ohh! if

I remember the time
in which you called me
I remember the wind
where did you see us
I remember the time
I remembered the
I remember it was slow
the love that gives me

now I'll give you a reason

(chorus)

I love you, miss you, I love you
you know it
sorry, sorry, but forgive me
for being one
and do it again

and tell you which is love
is a great feeling
living in a flame of fire

called heat

I'm nobody
to say this

sorry!

now I'll give you a reason

I look at you, follow you and say
this is all real
I guide you, I send
something that is true
for being one
and do it again

I love you, miss you, I love you
you know it
sorry, sorry, but forgive me
for being one
for having believed someone
for being one
and do it again
