Yeahh! Ohhh!!
Yeahhh Nohh!! Noh!!
Ehh!! Ehh!!

I've always wanted
the summer sun.
I can now understand
which is the only fun.
I'm into that talk
start already
I'm into that walk
for my only lady

I've always wanted
the summer sun.
I can now understand
which is the only fun.
I'm into that talk
start already
I'm into that walk
for my only lady

Hey you!!
Tell me why you think it is plastic
Hey you!!
I do not think that is elastic
For you!!
I think it's fantastic
is magic
is magic
magic, girl.

hey you!!
listen to this sound
hey you!!
you have already found
for you!!
I've been around
this down, down, down

Listen to this ...
I wa-wa-want

you wa-wa-want
gimme, gimme, gimme
one boom, boom, boom
I wa-wa-want
summer sun, sun, sun
tell me, tell me, tell me
one poom, poom, poom

I've always wanted
the summer sun.
I can now understand
which is the only fun.
I'm into that talk
start already
I'm into that walk
for my only lady

I've always wanted
the summer sun.
I can now understand
which is the only fun.
I'm into that talk
start already
I'm into that walk
for my only lady

hey you!!
need battery
hey you!!
I provide energy
for you!!
although is one felony
this melody.

hey you!!
believes that there is a way
hey you!!
to continue this so far away
for you!!
I'll wait until May
I'll wait until May, OK

Listen to this ...
I wa-wa-want
you wa-wa-want
gimme, gimme, gimme

one boom, boom, boom
I wa-wa-want
summer sun, sun, sun
tell me, tell me, tell me

one poom, poom, poom

I've always wanted
the summer sun.
I can now understand
which is the only fun.
I'm into that talk
start already
I'm into that walk
for my only lady

I've always wanted
the summer sun.
I can now understand
which is the only fun.
I'm into that talk
start already
I'm into that walk
for my only lady

I want again you tell me "Kiss me"
I want to hear again "Miss me"
I'd expect some day
is Sunday...

This little problem is mazy
I understand now that is crazy

is like the moon
the time the moon
but this little summer sun
are you my big fun

It's my summer sun

I'm into that talk
start already
I'm into that walk
for my only lady

I've always wanted
the summer sun.
I can now understand
which is the only fun.
I'm into that talk
start already
I'm into that walk
for my only lady

I've always wanted
the summer sun.

I can now understand
which is the only fun.
I'm into that talk
start already
I'm into that walk
for my only lady

only lady
only lady
only lady
only lady
only lady
only lady

I'm into that talk
start already
I'm into that walk
for my only lady

only lady
only lady
only lady
only lady
only lady
only lady
yeh yeh yeh ,

I'm into that talk
start already
I'm into that walk
for my only lady.

is summer sun, sun.
