I'm trapped,
I can not fight this
My soul can not resist desperate
I still remember the first time I saw you, though,
stealing your first kiss.

I'm just thinking of you,
when I try to smile,
You've been walking in there
even you must know,
I need to be with you
So do not resist more

is that this real
seems impossible
I can not but
with all this farce
Because I need to be with her
I can not think
I can not clarify
I can not deny
the fact that I fall in love

you and
Grows more

Oo, oo, yeahh!!

this is real??

Before you
did not understand it was to love, And I thought I'd
never know,
And then your
hisite I believe,
Now I have to pretend

is that this real
seems impossible
I can not but
with all this farce
Because I want to be with her

I can not sleep
I can not dream

without her enlighten
the fact that I fall in love
you and
Grows more

Every time I look into your eyes
Every time we smile,
Is that I want nothing more

is that this real
seems impossible
I can not but
with all this farce
Because I need to be with her
Now I can sleep
achievement and dream
I can not deny
being with you is general
and not change it for anything.

is that this real
seems impossible
I can not but
with all this farce
Because I want to be with her
now I think
achievement and clarify
I can not deny
the fact that I fall in love
you and
Grows more

This is real
This is real
This is real
This is real
This is real
This is real

Yeahh

This is real
This is real
This is real
This is real
This is real
This is real
