Woah Woah!!(x4)

Everybody has a dream (ohhh ohh oh)
Being the perfect team (ohhh ohh oh)
still can not believe (ohhh ohh oh)
a dream is not decieve you (ohhh ohh oh)
would be cool Monday
waking up one day
Having a desire
This this apart, be be the star.
I want to wake up wake up in in Hollywood (x4)

Woah Woah!!

To complete the rider (ohhh ohh oh)
that would be a little tired (ohhh ohh oh)
but there is some lighting (ohhh ohh oh)
breaking hearts and crying (ohhh ohh oh)

would be cool Monday
waking up one day
Having a desire
This this apart, be be the star.
I want to wake up wake up in in Hollywood (x4)

Woah Woah (x4)

hey come and tell me, tell me something I do I do not
know
let let let me says says he's going going strong
Eh now tell me many, many things about love
I'll tell you, you what he wanted more, more.
I want to wake up wake up in-in Hollywood (x8)

Woah Woah (x4)
