"Amen"

We will have love
We will have pain
There will be days and days and days that feel the
same
We will have fear
We will have joy
And maybe little girls and little boys

We will have friends
We will have peace
There will be nights of lights and music 'til you sleep
We will be strong
We will still break
We'll live through so much more than we can take

Amen
Amen
With the dawn, we all begin again
Amen
Amen
What is done, and yet to come
Amen

We will have hope
We will have doubt
There will be memories we could never live without
We will have tears
But there will be grace
There will be prayers that we never thought we'd pray

Amen
Amen
With the dawn, we all begin again
Amen
Amen
What is done, and yet to come
Amen

In the sun or the storms
The flood or the flames
Let everything come, and I'm the one to blame
In heartache or hope

I swear I'll say, I'll say

Amen

Amen

With the dawn, we all begin again

Amen

Amen

What is done, and yet to come

Amen
