There's a mountain  
Here before me  
And I'm going to climb it  
With strength not my own

He's gonna lead me  
Or the mountain beats me  
Carry me through  
Carry me through

There's a river  
Here before me  
And I'm gonna cross it  
With strength not my own

He's gonna save me  
Or the river takes me  
Carry me through  
Carry me through

Oh, Lord, be gentle  
I'm just a man  
Please don't crush me  
Help me in

Oh, Lord, remember  
I try so hard  
I walk and talk  
Your kingdom love

There's a sinner  
Here before me  
And I'm gonna give them  
Strength not my own

He's gonna carry me  
When I get weary  
Carry me through  
Carry me through

Oh, Lord, be gentle  
I'm just a man

Please don't crush me  
And help me in

Oh, Lord, remember  
I try so hard  
I walk and talk  
Your kingdom love

Hallelujah  
Hallelujah  
Hallelujah  
Carry me through

Hallelujah  
Hallelujah  
Lord, Sweet Lord  
Carry me through
