I've been a walking heartache  
I've made a mess of me  
The person that I've been lately  
Ain't who I wanna be

But you stay here right beside me  
Watch as the storm goes through  
And I need you

God gave me you for the ups and downs  
God gave me you for the days of doubt  
For when I think I've lost my way  
There are no words here left to say, it's true  
God gave me you

There's more here than what were seeing  
A divine conspiracy  
That you, an angel lovely  
Could somehow fall for me  
You'll always be loves great martyr  
And I need you

God gave me you for the ups and downs

God gave me you for the days of doubt  
For when I think I've lost my way  
There are no words here left to say, it's true  
God gave me you

On my own I'm only  
Half of what I could be  
I can't do without you  
We are stitched together  
And what love has tethered  
I could baby, never undo

God gave me you for the ups and downs  
God gave me you for the days of doubt  
God gave me you for the ups and downs  
God gave me you for the days of doubt  
For when I think I've lost my way  
There are no words here left to say, it's true

God gave me you, gave me you.  
Gave me you.
