Winter days are movin' in.
Picking out a tree again
It's you I'm thinkin' of

Everything in red and green
Along the city street

Decemeber days make me feel this way
Hope you feel the same.

[chorus]
Nobody wants to be lonely on Christmas
Nobody wants to be blue
You are the one on the top of my wish list
after all, it's a holiday made for two

Houses on with Christmas lights
Sing along with Silent Night
It's you I'm thinkin' of

Boys and Girls and Santa Clause
Wreath hung on the City Hall
It's you I'm thinkin' of

December days make me feel this way
I hope you feel the same

[chorus]
Nobody wants to be lonely on Christmas
Nobody wants to be blue
You are the one on the top of my wish list
after all, it's a holiday made for two

There's mistletoe
and you'll never know
what the night might have in store
girl I confess
ever since we met
you're the present I was waiting on.

[chorus]

Nobody wants to be lonely on Christmas
Nobody wants to be blue
you are the one on the top of my wish list
after all...

Nobody wants to be lonely on Christmas
Nobody wants to be blue
you are the one on the top of my wish list
after all, it's a holiday made for two.
