You might wanna close your eyes
It's™ Il take some time adjustin'™
Welcome to your life
You're™ everything you're™ Il someday be

There's™ a weight off my shoulder
There's™ laughter in the air
You are the answer to every midnight prayer

You're™ mine to love
We have all been waitin'™ on you
You're™ mine to love
Come into these open arms
It took some time to wait it out
But I see it now, you're™ worth all the dreaming of
You're™ mine to love
You're™ mine to love

You might wanna take your time
Takin'™ all this technicolor, yeah
We're™ on your side
Let us be the one you need

There's™ a life on my shoulder
Laughter in the air
You are the answer to all those midnight prayers

You're™ mine to love
We have all been waitin'™ on you
You're™ mine to love
Come into these open arms
It took some time to wait it out
But I see it now, you're™ worth all the dreaming
You're™ mine to love
You're™ mine to love

Every time that my heart was broken
Every time that I've™ lost my wings
I forget when I look into your face

You're™ mine to love
We have all been waitin'™ on you

Youâ€™re mine to love
Come into these open arms
â€˜Cause Iâ€™m right here
It took some time to wait it out
But I see it now, youâ€™re worth the dreaming of
Youâ€™re mine to love
Youâ€™re mine to love
Youâ€™re mine to love
Youâ€™re mine to love

So you might wanna close your eyes
