don't look ahead, there's stormy weather
another roadblock in our way
but if we go, we go together
our hands are tied here if we stay.

oh, we set our dreams to carry us
and if they don't fly we will run
now we push right past to find out
oh how to win what they all lost

oh ah, oh ah,
we know now we want more
oh ah, oh ah,
a life worth fighting for

so let them say we can't do better
lay out the rules that we can't break
they want to sit and watch you wither
their legacy's too hard to take

oh, we set our dreams to carry us
and if they don't fly we will run
now we push right past to find out
oh how to win what they all lost.

oh ah, oh ah,
we know now we want more
oh ah, oh ah,
a life worth fighting for

in their heads, hedging their bets,
in their eyes it shows
when the beacon breaks, what then, you ask, and they don't know
oh tell me that I turn my back, well the odds all stand beneath me
and they all said, I was misled
but now the odds all stand beneath me

oh ah, oh ah,
they're frozen to the core
oh ah, oh ah,
a life worth fighting for

oh, we set our dreams to carry us
and if they don't fly we will run
now we push right past to find out
oh how to win what they all lost

oh ah, oh ah,
we know now we want more
oh ah, oh ah,
a life worth fighting for

we are gon' come with a new way to say
now here we come, can't put nothing in our way
hey oh

we are gon' come with a new way to say
now here we come, can't put nothing in our way
hey oh

I have listened more and found some more online sources, and I have revised the lyrics
