Brooklyn we go hard  
We on the look for the advantage, we work hard  
And if we seem to rough it up a bit  
We broke but we rich at heart  
Pull ourselves up now we won't choke  
It's our time, put the lights on us

War tactics they make me sick  
reel your heart in run away with it  
Smile in your face, undermine your back  
got guns for the strength they lack  
So if you know another way  
you can't look the other way  
if you know another way,  
tell them so right to their face

We think you're a joke  
Shove your hope where it don't shine (4x)

I pay for what's called  
eccentricity and my wish to evolve  
I hear them all say  
that I got heart  
but not everything that it takes

Taint my mind but not my soul  
Tell you I got fire  
I wont sell it for no payroll  
Let 'em hold me down  
I know if I know another way  
I can't look the other way  
I know another way  
I'll tell them so right to their face

We think you're a joke  
Shove your hope where it don't shine (4x)

[Spankrock)  
Entirely totally  
Bring it all together i want everything  
If it's in the spills they had gossip that meant

We can't be poor folks waiting on a trickle with your  
hands out

I got a life that you can call a luck because it was a duty  
You don't mean i ain't payin' dues you stupid fuck  
I'm more of a mind for reaching things that you can't  
Just know i'm doing something you ain't simple and  
plain

We think you're a joke  
Shove your hope where it don't shine (8x)
