Taken back, overdone
Free and safely
Souvenirs out of style
Do it so I'll be mad
You be gone
Enough said but you've been golden
On my bed
Tango with daddy, separate only
Smile, my only rites of passage
Only you mark my words
To get engaged in california
Enough said but you've been golden
On my bed
Tango with daddy, separate only
Smile, my only rites of passage
Don't say that I'm the one you want to lose
Don't say that I'm the one you want to lose
Don't say that I'm the one you want to lose
Don't say I'm the one you want to lose
Don't say that I'm the one you want to lose
Don't say that I'm the one you want to lose
Yeah...
