Tick, Tock, Talk that shit non-stop
Tip-toe, don't make it rock
What they say, that's not enough
You long, long for what you know I got

Blah, Blah, Blah against the wall
So pee-wee cyber tall
Ring-Ring-Ring when duty calls
No now Not a word at all

Big Mouth, Big Mouth
Why, I know you said enough!
Gotta Big Mouth, Big Mouth
My, my, my you said enough!

What's that you said?
So you can walk, or watch, and tear me up
You can walk, or watch, and tear me up
What's that you said?
So you can walk, or watch, and tear me up
Oh-oh-oh-oh

Deep down don't know what you want
Dismount throw me up front
Berate, but got no guts
If strong strong, why play debutant

Ga-Ga-Ga all slightly off
Not me I'll take the loss
See, see, see, doesn't it pay off
I'm among the one's not lost

Big Mouth, Big Mouth
Why, I know you said enough!
Gotta Big Mouth, Big Mouth
My, my, my you said enough!

What's that you said?
So you can walk, or watch, and tear me up
You can walk, or watch, and tear me up
What's that you said?
So you can walk, or watch, and tear me up

Oh-oh-oh-oh

You're everywhere I go!
Thinking that you know!
You're everywhere I go!
Thinking that you know!
You're everywhere I go!
Thinking that you know!
Who are, Who you?
Go on, go you, go lead'em if you know
