Now, won't you run and tell your boyfriend?  
Tell him, don't hold his breath for me  
I've got some money I was saving  
Got some hearts that I'll be breaking  
Know someday they'll make a martyr out of me  
I know someday they'll make a martyr out of me

She's so fine

And I like sometimes to wave it high  
Up where everyone can see, I'm a lady  
Got my mind made up  
Got my mind made up

I know what's been mad, you really don't  
Try to hold a light to me, I'm a lady  
Got my mind made up  
Got my mind made up

I like to watch the way the wind blows  
What does it know that I don't yet  
Ooh, oh, look so pretty now  
You're just so sweet  
Let's see how far you can get  
See just how far you can get

She's so fine

And I like sometimes to wave it high  
Up where everyone can see, I'm a lady  
Got my mind made up  
Got my mind made up

I know what's been mad, you really don't  
Try to hold a light to me, I'm a lady  
Got my mind made up  
Got my mind made up

Dreams are gone and the dreams are gone  
No one said, no, no one said

Make something with what's in your head

And the dreams are gone  
And the dreams are gone

And I like sometimes to wave it high  
Up where everyone can see, I'm a lady  
Got my mind made up  
Got my mind made up

I know what's been mad, you really don't  
Try to hold a light to me, I'm a lady  
Got my mind made up  
Got my mind made up

And I like sometimes to wave it high  
Up where everyone can see, I'm a lady  
Got my mind made up  
Got my mind made up

I know what's been mad, you really don't  
Try to hold a light to me, I'm a lady  
Got my mind made up  
Got my mind made up

Got my mind made up  
Got my mind made up  
Got my mind made up  
Got my mind made up  
Got my mind made up

Got my mind made up  
Got my mind made up  
Got my mind made up  
Got my mind made up  
Got my mind made up

And I like sometimes to wave it high  
Where everyone can see, I'm a lady
