"Keep Secrets"

You should have never come here
I know you're making a mistake.
Keep your eyes shut tightly closed and pray for
yourself,
I've said all I can say.

You keep yourself so tightly wound
It's about time you break.
It's not enough, my foolish words would never...

I've kept my secrets you will never know,
But you'll say that you'll stay here
So get it out now get it out now, and we can go.

I feel like there is someone still here
Hiding in this place.
Maybe they're beneath the floor but she's scared
Fighting to keep it safe.

You keep yourself so tightly wound
It's about time you break.
It's not enough my foolish words would never...

I've kept my secrets you will never know,
But you'll say that you'll stay here.
So get it out now get it out now, and we can go.

I never had the faith to pick myself up.
Come down and take me
I never had the faith to pick myself up.
Breathe in, breathe out.
Like a magnet
You keep pulling me closer.
All these words on my part to end like this.
I was stagnant
Then you entered my life and held it in your hands.

I've kept my secrets you will never know,
But you'll say that you'll stay here.
So get it out now get it out now, and we can go.

Is this the end of myself?
Is this the end?
(Is this the end?)
Is this the end of myself?
Is this the end?
(Is this the end?)
This is the end of myself,
This is the end.
