Hey hey hey (2x)

Well you're a liar and you're cues are all wrong
But I can count all the ways you woo me
I watch you capture what I can't hold
Now make it make some sense to me

You are, you are my
You are, you are my
You are, you are my superman

Hey hey

You got to live
You got to live
You got to lift me, get higher
Bless your soul
You get by
Take me along
But all the static is tearing you apart
Get out the way you you you you

You are, you are my
You are, you are my
You are, you are my superman

Hey

You, you, you
You gained weight
So walk, walk, walk on now
You know you say to me
Don't, don't, don't go hands down

You are, you are my
You are, you are my
You are, you are my superman

Hey hey

You got to live
You got to live

You got to live

Hey
